

Informational Programs  
For  
Fire Departments on Underground Storage Tanks

The Department of Fire Services, Office of the State Fire Marshal will be conducting informational sessions for the fire departments. These sessions will cover recent amendments to the Underground Storage Tank Regulations (527 CMR 9). These revisions include changes required by the Federal Energy Act of 2005.

There is no charge for these sessions, however you must pre-register through the regular Massachusetts Fire Fighting Academy registration procedure.
